Hello Mom,

Just a few lines to say hi and to let you hear from me and to answer your letters I got today. I sure was glad to from you it was the first letter I have got from you since last week. I was beginning to believe you had forgotten me. I know I don't write you very much but I know you have more time to write than I do.

Well mom, if nothing happens I will get to come home in four weeks. I hope so anyway it will be the last chance I will get to come home for 18 months so maybe I will get to come.

Mom, you said your TV was tore up I hope it don't cost much to get it fixed I know you would go crazy if you couldn't watch those damn pictures every day. Have they caught those negroes that stole those watches from

Agnes. Tell her she had better
quit letting those negroes slap
her around.

I hope you can read this
the lights went out about 30 min.
ago and I am writing by a small
flash-light.

Well Mom its almost 11:30 and
I have to get up a 4:00 so I guess
I had better close for now ~~and~~^{and}
get some sleep. Tell Daddy and
all the rest I said hello.

Love,
Jerry

P.S.

Mom, I wish you would send
me Jackie's address I need to
write Darlene.
