8 A.M.

Hi Mom,

Just a few lines to say hello and to let you know I'm fine.

We got to Fort Benning wed nite about 8:30. I hadn't been doing much but marching and cleaning up this damn place.

I got my hair cut off Fri. morning and I look like a bold eagle. We hadn't been working too hard except for getting our cloths that was the hardest thing I've done yet. We are to start training Tuesday morning.

I have had guard duty two times since I've been here and K.P. once. It not so bad I think I will like it once I get in basic training.

Mom have you heard for Carolyn since I left I haven't had a chance to write her yet. This is the first chance I've had to write anybody. I don't have a address yet but just as soon as I get one I will let you know. I should would like to see all of you. maybe if we can have visitors Sat. you can come down. I don't know for sure where we can have visitors or not but I will call you
