

Fri Nite  
7:30

Hello Mom.

Just though I would write a few lines while I wasn't doing anything. Would you believe I didn't have to work tonight. I got off about 6:00 and went to the P.X. and bought a shirt and a pair of pants so I would have something to wear when I got a week-end pass. There is nothing much to do around here but go to Leesville. It's about four miles from post.

Mama, ~~and~~ we went last night and bought our tickets. I am going to have to come by bus because I didn't have enough money to fly. So if

nothing happens I will leave  
here about 7 o'clock on the 16<sup>th</sup>  
of Dec. It should take ~~at~~  
about 12 hours to go from here  
to Atlanta. So some of you  
will have to come to Atlanta  
and get me.

Well, Mom its getting late  
so I guess I will close for  
now and I will see you in  
about 2 weeks. Ans. Soon

Love  
Jerry
