

Thursday Morn.

11 May 67

Hi Mom,

Just a few lines to say hello and to let you hear from me. Well, how is every one back in the world. As for me I'm O.K. as usual. We haven't been doing anything for the last 7 days but sitting on our fat ass and taking it easy. The old man told us yesterday that we would be going in the 1st of June I sure hope so I'm tired of being in the field all the time.

I was reading in paper yesterday that a friend of mine I took A.T.T. with

was killed about three weeks ago. I sure did hate to hear it but you have to expect that in a place like this.

Monday morning about ten o'clock A Co. caught 2 VC taking a bath in a stream and they didn't have to fire a shot. It was ~~at~~ only about 1 1/2 miles from where we were at. We are in An Lao valley now if you watch the news you should hear alot about this place.

Well, in 13 more days I will have 3 months made over here. I just hope the next 9 goes as fast.

Moma, are you still

making the car payments ~~of~~
out of my check? Tell daddy
if he needs any of the money
that I send home to pay some
of his bills to take it because
I don't need it and I know he
has a hard time with all of
those big bills.

Well Mom, it 11:00 and I've
got to write a few more letters
before I quit so I will shut
up for ~~now~~ now and write
you again tomorrow. Tell daddy,
Matti and all the rest I
said hello. Ans soon.

Love
Jerry,
