

UNITED STATES ARMY

Hello Mom,

Just a few lines to say hello and to let you know that I'm doing fine. Except for a little tired. We have been working ~~so~~ hard all day long. It was 4:00 when I got up this morning and the lights will go out at 9:30.

We took 3 of our shots yesterday and ~~so~~ ~~so~~ my arms are still a little sore but I think I will live. Moma don't worry about me because I am doing fine, except for a little home-sick. So try to write every chance you get even if I don't write every ~~day~~ site because time I get in polish my boots & brass it's time for the lights to go out. So write
