Hello Mom

How are you today? Time of
hope, as for some time. We
haven't been doing anything for
the last two days but laying
taking it easy. We are at LZ
Two-Bits they said we would
be here about five days. I
sure hope so because we don't
do anything but eat and sleep.

Yes, Mom I am getting
your mail and I have
been getting it for about
three weeks now, so I wish
you would send my glasses.

I got a letter from Steve
yesterday he's at Cu Chi its

south of Saigon and climb about
85 miles north of Saigon. I
am going to try to go down
there and see him in a couple
of months or my in-country
R+R. He said in his letter that
John Smith was in Saigon. I
sure would like to see both
of them.

Mama you said in your letter
that daddy couldn't make
the payment of the car this
month because he had to buy
tags for both the cars. Well
you should be getting another
check about the 15th of this
month and I want you to
make the car payment out
of it. It's my fault he's got

that big bill and I want to help him pay for it. So please do that much for me O.K! I don't need the money and it would make me feel better to help you and daddy out. If it wasn't for him I couldn't have got the car. If you don't start making the car payments I will stop sending the check to you and start making the payments myself.

They had a country & western band here today and they sure was good.

I have been eating ice cream they usually bring us some every day and we have cold beer and cokes almost every night

and it don't cost us anything.
They give us all the cigarettes
and candy we want.

Well Mom its getting late
and I think it will go get
a beer before its gets dark
So I will close for now. Tell
daddy and all the rest I said
hello. Ans. Soon

Love,
Jerry
