Dear Betty Ann

How in every little thing
I just come in off or allrite
now I'm sure our lives.

Day do you remember that
giant statue when I was
in Cambodia by the name
of Christu Hill?

I thought I had his address
with me but I must have
lost it. See if you can
find it some of those papers
of mine that I brought home
with me when I came home.

I well or I remember I had
a letter or two from here
with me because you were
all teasing me about here.

I sure would appreciate it
if you would find it

up if you could and
send ~~me~~ it to me
as soon as you find
it. Take my word

figure it I will
leave here just after
Christmas if the line
and get back to
see cut until I leave

Viet Nam. They usually
leave pull you out your
unit 30 days before you
leave your unit. When
I do come home and fly
my new car and after I get
out of the army in
September I'm going to finish
school or go to a trade school.
I should have something
like \$2500 dollars when I
leave this place over here.
The first thing I'm going to
do is buy me a new car
because it's all I think about
now. They would send me
about 3 rolls of Polaroid film
for the summer. I will
take some picture over send
them home to you. You can't
buy that kind of film over
here because I have found
in every place. When you
all send me any thing
make sure you put
it by airmail because
it only take 7 to 10
days to come.

and told you she could quiet
that old dump of up cotton
mills like I told her once
before I will never live
at once and never will work
there again.

Dear man
June 10, 1967
Just a few lines to let you
know that I'm all right so
far it is so bad over here it
just being away from home.
Well like the way I told
Betty and in her letter I wrote
how the way I became it I
have 8 months left not quiet
that much. Buy the way
would you send me some
pencil, pen for the major
I can't find any one here any
place I have look. I will
be going on R+R some time
this month or next and will
try to call home.

I'm going to make do with the
money from what they tell
me. If I do that mean some
thing like \$300 dollar a month
Oh, you tell they relative
of yours how that
forget to how to write.
Tell them that they had
better get how with a
pen and a piece of paper.
How do you like
the color t. v. you
bought.

Oh yes, don't you ~~work~~ work
yourself to, clean in that
old cotton mill like your
sister in doing or to do her
all read it isn't right at.
I will never go back to that
place ever or long or I live
after what I saw now front
the world. How can you
get me Tony Smith children
from George Smith or else
he still work in that old
mill that looks like a dump
if you can send it to me.
Like I told Betty and when
I get home I'm going to build
one a home or buy one
or you can come there with
me or you can stay until
when you are old but don't
expect me to come to
live there when I get
out of the army except
to pray you and the
other just, me &
Lillian Jane will
make it together
and I am sure
will give it all
all for now write
soon.

Dear mom

you know that I'm alright.
Well I have started seeing

Because I need them real bad.

home all the time.
But just want I will be
there soon and things
will start to ~~to~~ pick
up like they used to
be when I was home
before going in the
army.
Well I guess Millard

to.

If he leaves before you get

he do while he was at
home.

I want stay in this army

Dear J.C. Tuesday 27th June

I guess you are mad at me for not writing to you but I've had to work hard right lately. I had to work from 1:00 to 5:30 Sunday & then from 6:30 to 12:00 Sunday night. Then I worked Monday from 9 to 6 & then go home & eat & come back at 7 & work to 11:30.

I was off today so I slept till 9:00. I've had a real bad headache all day. I've already taken 6 buffersins & it still hasn't quit hurting. I don't know what's the matter. I guess I need glasses.

I bet you've found you
a girl by now. Tell me
who your buddies are,
that you bunk with. Tell
them all I said "Hello."
Have you got any of my
pictures over there with
you? I bet your mother
doesn't even like me
does she. I can't blame
her if she don't. Send
me some pictures of you &
your friends especially
of you. Please! When
is your birthday?

Mother has her a new
67 Chevella Malibu. Its
blue with a white top.
Its automatic with

milliard is home. His
daddy died. I sure did
hate it. I haven't seen
or heard from him since
last Sunday was a week
ago.

A miss who is getting married
in October. Carol Duncan
is. She's marrying a boy
from Rio. That's close to
Palmetto. She got her
engagement ring last Friday
night. She's lucky to be
getting one. It looks like
I'll never go steady or
get engaged. I'll be an
old maid I guess. Do
you ever have any time off
to go to a movie or somewhere
where there are women.

power steering + air-condition
it's real pretty. Well
I'm going to close for
tonight. I promise you
I'll write again Friday
night because my
head is hurting so bad
that I can't think.
I'll be praying for
you. Mother prays for
you every night. I
hope you will pray too.
Be sweet + take good
care of yourself.

Love always,
Diane
