Hello Mom

How are you today, fine
I hope as for me I'm
O.K! except a little home-sick
but I've been that way
for the last eight months.

I guess you get tired
of writing all the time
and never getting any
mail from me. I just don't
have time to write as
much as I would like to.

but then I guess you
understand. I hope so
because if it wasn't for

getting mail from home I think I would go crazy. No one knows how much mail means to someone in a place like this.

Mom, did they ever get my car painted. I hope so because I think I am going to keep it for a while after I get back.

I can't see spending all my pay check every week on car payments. As you know I stayed broke most of the time because of car payments.

Mom, I have been thinking about extending over here for 6 months, it's not as bad as it sounds. I will get out of the field three months early and get out of the army three months. I can extend in Nov. for six months so I will only be over here for 3 months longer than I was supposed to. And I will get a 30 day leave the last part of Nov. They will pay my way home and back and when I get back I want have to come to the field. I

can get a good job back
at base camp. I'm not
sure now what I am going
to do. I just thought I would
tell you about it and see
what you think about it.

I should be getting another
package from you today or
tomorrow I hope so because
the can stuff is really good.

We get two hot a day
plus "C" so I get enough
to eat but you know
me I like to eat all the
time. The next time you
send me a package send
a ctn. of Marlboro instead of

Viceroy's O.K! You had better be keeping enough money ~~off~~ out of my check to pay for everything

Tell Dad thanks for opening that bottle before I got home. I bet he had a tooth-ache. He is going to have more than a tooth-ache when I get home for opening it. Ha! Ha!

Well, Mom I know you are tired of trying to read this so I will stop for now. Tell everyone I said hello. Am. soon
Love Jerry
