Hi Mom.

Don't have much time to write my plane leaves in 50 min. I'm still in Penang Bay. I really had a good time in Penang. I called Carolyn the next day after I talked to you and told her to go to hell. I found out she was going with someone else. But I can't blame her I have been going with plenty of good-looking girls ~~and~~ since I left.

I'm sending you a
few pictures I took
in Penang, hope you
like them. Well I've
got to close for now
try to write more
next time.

Love
Jerry
