

Tuesday Night

7 Mar. 67

Hi Mom

How are you tonight. Fine I hope
as for me I'm O'K except for a little
homesick. But that because I haven't
been doing anything since I've been
over here. They told me today
that I would start my training
tomorrow. I sure will be glad
I'm tired of doing nothing all the
time. I should be thru with
my training by Sat. Then I guess
I will go out on the green-line
to join my company. Would you
believe that I didn't get up
until 11:30 today and the reason
I got up then was to go eat
dinner. I had guard duty last
night and didn't get off until 4:00
this morning. So I had the
day off.

I wish you would tell June

Jenny and Cecil it wouldn't hurt them to write me ever once and awhile. Tell that sorry Cecil that I wrote him quite a few times while he was in the army. I have more time to write since I'm threw ~~with~~ with all my training. So tell them if its not too much trouble to write if they have time. I have Jackie's address and I think I am going to write her in a few min.

Well Mom, its getting late and I think I will write Jackie before I go to bed. Tell Daddy I said hello. Ans soon.

Love,
Jenny
