Hello Cornelia. This is
the one and only Charles Stanford
talking to you. How does thing
look down on what side of the
road? I think I've over time
I would have
wrote you sooner. but I
had to wait till I found
some news. Jimmie Rowe
went to court a few weeks
ago. you remember. He was
trying to get out of the
country. They gave him 3 years
in prison. He is now serving
time in prison. Patricia
and Rodney got married
a few months ago. They live
in town as you know. My
town is still sick. By the
way I see your old girl
friend every week. Percy
of course. She goes around
and around the Burger chief.
as if she wanted!!!

as you know I have quit
school!!! that is bad but
I can't think of going I
remember, Sunday he
is home for a few weeks.

I went to the coast
to see the other boys and
they went to a card
game. I went to
the beach again and
found out that I had a
different card. I guess and
about Emily, yes she is
around some but not much
I don't think he is going with
anybody there days. I am
not sure. Robert he got
out of jail and is back
working. Frank he is
still eating away on every
body. Things over here
are still about the same
thing. I guess I had
better stop for ^{NOW} write
me back and tell me

AIR FORCE - REPUBLIC OF VIETNAM

For the kind of outfit I was
I imagine infantry but not like
walking unit. We were somewhere
that looks like a base. We went
into the jungle yesterday but didn't
see anything. My camp was now
now just a fort. Let us look.
There was a man who you look
and nice people.

We made a small camp and change
the other day and caught some people
who are suspect. We took them in.
Well I had better be good for now. Write
soon.

PS -
some of them were ^{of} the same
I left before. I was kind of from
and interested. If you can contact
me.

Dear Mom.

it does it have a radio + stereo
built in it or just a T.V. by it
self. I got a letter from Mullard
day before yesterday he said he
was all unite. I got that goodie
package you send me last week.
When you send me a nother one

Dear Mom.

How is every little thing. Well I have just
10 months to go, time is passing off pretty good.
Well I guess you finally got more out little down

Sew[#] 374 fallin all ready. I am saving most of
it. July 1 I will be in Hawaii for a 7 day R&R

I can. If I don't get to go to Hawaii I'm going
to look for my R&R. Is my car still running.
I hope you will take care of it while I'm

and stay until Sunday and leave again.

NO DATE

Dear Mom

Just a few lines to let you know I'm doing alright. We moved to a new camp - just 20 miles south of Saigon. We move in here to set a new base camp. The place is mostly nice weather and jungle. We get, would you send me a package of goodies to eat. But in some cookies and a little sausage, crockets, pemmican butter, fruit cocktail, and some kind of juice in small cans. We went out a platoon force - the other day and the company we were helping lost 3 men - that's about the whole. It's not so good if you keep yourself down and out of site. We'll get in it all for now unless you can send by package or money or gear etc. J.C.
