Hello Mom,

We start training at 6:00 every morning and it is 8:30 & 9:00 before we get off. So I don't much time to wright. We got off at 10:00 this morning and put on our class A's and went to church. After church we ate Thanksgiving Dinner you should have seen the mess hall it was really beatiful the way they had it fixed up. It was the best meal I ~~had~~ have had sence I've been in the army. I just wish I could have been home to eat dinner

with you and all the rest.

Moma, we are surpose to leave here the 16 or 17 of Dec. for our 14 day leave. I don't know how I will get there. I wanted to fly but I don't know Where I will have enough money or not and even if I have enough money I don't know where I can get reservations but I will get there some way if I have to walk all the way.

Well Moma its 1:30 now and we have to go back to work at 3:00 and I've got to wright Carolyn and change clothes so I will close for now and wright as soon as I get a chance. Tell Daddy and all the rest I said hello.
