Hello Mom.

How are you this fine Sunday evening fine I hope as for me I feel great. Sir had a day and a half off and I got to talk to you and Carolyn yesterday. I called Carolyn again this morning and talked for about 10 min.

I went to the P.X. this afternoon and bought about $30 worth of civilian clothes now dear got plenty of clothes and no money to go anywhere. Sir just kidding sir still got plenty of money left out of my check and we will get $25 before we leave here for our 14 day leave.

I mailed you that cycle book

today so you should get it about the time you get this letter. I was going to wait until I came home but Carolyn wanted me to send it now so I thought I would send your too.

Well, Mom its getting late and we have got to GI the floors before we go to bed so I will close for now and try to write again tomorrow night. Tell everyone I said hello.

Love
Jerry

See you in 12 days.
