Hi Mom,

Just thought I would write a few lines to say hello and to answer your letters I got today. I sure was glad to hear from you. It has been almost a week since I've got any mail from you.

Mama, you said in one of your letters I got today that you was going to put my money in the bank. Could you tell me about how much I have now? I know its not much but I would like to know about how much I have

I want you to keep making the car payments every month. I don't want that Old Wreck when I get back but I do want to make the payments on it while I'm over here. Tell daddy I said he had better start driving that car all the time and not just on Sundays if I'm going to make the payments on it I want it to stay on the road all the time.

Mom, I still haven't got my camera yet, but just as soon as I get it I will send you some pictures.

I got a letter from Cecil and Jackie today and I

will try to answer their letters tomorrow because its almost 7 oclock now and I can't write after its gets dark. Mona, you keep asking me if I get enough to eat Well I have plenty to eat we get two hot meals a day but we have to eat C's for lunch that one good thing about the first Cav. Most of the other Div. over here don't get hot meals while their in the field. We don't have to do as much walking as the rest of the Div. over here because we fly almost every where we go. And when someone gets hurts it don't

take but a few min. to get a chopper in that one reason I'm glad I got in the first car.

Well Mom it's getting dark and I can't see how to write so I will close for now and write you again the first chance I get. Tell daddy, Mattie and all the ~~rest~~ rest I said hello. Ans. soon.

Love,
Jerry

P.S
You had better watch what you sat down on from now on. (Ha! Ha!)
