Hello Mom

I though I would write a few liner while I wasn't doing anything. I will have to make it short because we are pulling out in 20 min. Well how is everyone doing? fine I hope as for me I'm O'K!. except a little tired. I stayed up until 2:30 this morning drinking, listing to some good country music and playing cards.

I bought some film at the P.X. yesterday and I though I would send you a few pictures. I guess you get tired of me sending

all of there pictures but you can throw them in the trash if you don't want them.

I have just got 21 more days before I go on R+R and I sure will be glad to get out of this place for a while. Everyone says we are going to base camp the 15th of the month I sure hope so we have been out in the field 113 days today.

Well Mom, I guess I had better close for now and ~~try~~ pack up and get ready to leave. Tell everyone hello for me.

Love
Jerry
