Hi Mom

Just a few to say hello and to answer your letter. How are you today? As for me I'm O'K (at least I will be in 145 days.) Thanks alot for the package it sure was good. But next time don't send that much fruit, one can of peaches is enough. I hope you are keeping enough money out of my check to pay for it.

I was really sorry to hear about J.C. but I try to not let anything like that bother me. I

over

have seen too many men killed and hurt bad over here and I just can't afford to let something like that get to me. Well that's enough of that. Did I tell you I got my air Metal and C.I.B. last month? They can keep all of their damn metals as long as I get out of this hell-hole.

Mom, I think Carolyn has got a birthday coming up about the last part of Oct. I wish you would find out when it is and send her about two dozen yellow and red roses. I don't remember exactly when it is but I think it is around the 28 of Oct. Well Mom this is all the paper I have so I guess I had better close for now. Tell everyone I said Hello and not to worry about me.

Love, Jarnt
