Hi Mom,

Just though I would write a few lines to answer your letter I received today. I sure was glad to hear from home, but I can't understand why Carolyn got a letter from me and you didn't. I write you everytime I write her. But don't expect to much mail from home because I don't have much time to write. I have wrote you three times in the last four days.

I had my picture made Sat. and it should be in the paper in about two weeks. I wish

you would send me a copy of it. I know it will look terrible because I hadn't showed or took a bath for a week and I hadn't changed clothes for about three weeks.

Well, I got a new job last week. I'm a R.T.O. (radio & Telephone operator) it about the same thing I've been doing but I like it alot better. I don't know much about it now because I never went to school of it. Most of the R.T.O. went to school for nine week but I hope I can learn every thing about.

I got a letter from Cecil and Jackie today so I guess I will close for now and write them
